

# JVS-N935SL-HY-R2

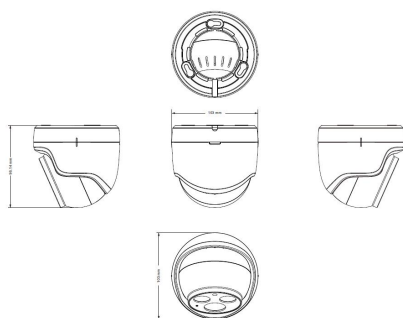

3.0MP Starlight Dome Camera

## Key Features

- Resolution 2048x1520@30fps
- With Starlight function
- 2x Array IR LEDs,
- Support CloudSEE APP on iOS/Android
- ONVIF 2.4, Compatible with ONVIF Recorder
- 2.8mm wide angle lens
- Built-in Microphone

## Dimensions (mm)

## Specifications

| Video                |                                                          |
|----------------------|----------------------------------------------------------|
| Image Sensor         | 1/2.7" CMOS                                              |
| Max Resolution       | 2048x1520                                                |
| Effective Pixels     | 3.0MP                                                    |
| Compression Standard | H.265                                                    |
| Maximum Frame Rate   | 3.0MP@30fps                                              |
| SNR(dB)              | 38.6dB                                                   |
| Bit Rate             | 128Kbps~8Mbps                                            |
| Illumination         | 0Lux (IR ON)                                             |
| Lens                 |                                                          |
| Lens                 | 2.8mm                                                    |
| Viewing Angle        | H: 88.5°, V: 65.3° D: 107.2°                             |
| IR-LEDs              | 2x Array IR LEDs                                         |
| IR-Distance          | Up to 12 Meters                                          |
| Function             |                                                          |
| Motion Detection     | Support                                                  |
| Email Alert          | Support                                                  |
| Day& Night           | Support                                                  |
| Recording            | Support (NVR, Windows PC, Smartphone)                    |
| DHCP                 | Support                                                  |
| Pan/Tilt             | Not Supported                                            |
| SD-Card              | Not Supported                                            |
| Privacy Mask         | Support up 8 areas                                       |
| Exposure Control     | Support                                                  |
| Image Adjustment     | Support                                                  |
| Auto. White Balance  | Support                                                  |
| Image Rotation       | Support (Mirror/Flip)                                    |
| Intercom             | Not Supported                                            |
| FTP                  | Not Supported                                            |
| Network              |                                                          |
| Ethernet             | 10M/100M Ethernet, RJ45 Port                             |
| Protocols            | HTTP, TCP/IP,UDP, ICMP, RTSP, RTP, RTCP, SMTP, DHCP, DNS |
| Stream               | 2x Streams                                               |
| LAN                  | Support                                                  |
| ONVIF                | ONVIF 2.4                                                |
| User                 | Up to 13 Users                                           |
| Browser              | IE8+, Chrome18+ ~ 42-                                    |
| Smart Phone          | iOS/Android                                              |
| General              |                                                          |
| Dimensions (WxHxD)   | 102x100x90mm                                             |
| Weights              | 210g                                                     |
| Material             | Plastic                                                  |
| Working Temperature  | -30℃~60℃(-22℉~140℉)                                      |
| Humidity             | RH 10%~90%                                               |
| Power Supply         | DC12V/1.5A, PoE (IEEE 802.3af)                           |
| Consumption          | Day ≤3W Night ≤9W                                        |
| Waterproof           | NO                                                       |
